

## **C5 TROPHIES AND AWARDS**

### **OVERVIEW OF FESTIVAL COMMITTEE CHAIR RESPONSIBILITIES**

#### C5 Trophies Committee Chair

##### **Pre-Festival:**

1. Order ribbons (check with Room Chair Committee Chair re ribbons needed; these should be ordered well in advance (at least a month before you need them) & brought to the organizational meeting)
2. Order trophies (standing order for trophies, with current festival events and date) (should be ordered at least a month before the festival)

##### **Monday after organizational meeting:**

1. Amend trophy order (may not need as many trophies for some A or B Div events; may need additional trophies for something; can now order plaque/s for cover design)

##### **The day before each festival:**

1. Pick up trophies or have them picked up by a reliable party; may be delivered to host school before festival day if mutually acceptable and convenient

##### **Festival day:**

1. Get trophies to festival if they were not already delivered to the host school
2. Arrange trophies in the order of presentation
3. Deliver invoice to DTASC treasurer

##### **Post-festival:**

1. Periodically collect leftover trophies and plaques and get them re-plated for use at a subsequent festival

**Reminder:** The Trophies Committee Chair is responsible for trophies for all festivals. If the duty is shared between someone in C Div and someone in A/B Div, they need to coordinate what they are doing.

## C5 TROPHIES AND AWARDS

# TROPHY CHAIRPERSON

This job consists of four different tasks:

1. Ordering the trophies, ribbons, and appreciation plaques.
2. Picking up the trophies and checking the trophy order.
3. Taking the trophies to the festival.
4. During finals, assembling the trophies in reverse order by event on the stage.

Any or all of these tasks may be done by others, but you are responsible for seeing that each task gets accomplished. Suggestion: ordering should best be done by the chairperson.

**Ribbons:** The ribbons take the longest time to be printed. You can order them far in advance and have them ready for the Room Chairperson to count at the organizational meeting. The person in charge of registration could also do this because it is a fairly easy task.

**Before you order,** find out who was Room Chairperson from the last festival, and see if you can locate extra ribbons. Some years we have enough left over for the whole festival. Then check with the person receiving the entries to find out how many persons are entered and order the ribbons appropriately. Then, with the list of events in front of you, type and order for trophies. Do not forget to order honorable mention plaques for events and Sweepstakes. **Spell carefully because the words you type will end up on the trophies.**

**To figure out the number of trophies to order,** attend the organizational meeting and get a list of the number of participants or groups in the event. Sometimes the entries are really small. Then, use your best judgment to project what you think will be entered into finals. In A/B, they might not have more than eight groups minus five trophies, so you need to enter three honorable mentions for each group event. In monologues, order 12 (5 trophies and 7 plaques) because that's the top number judges can process in an event. **Check with the VP for A/B to see if they have unusual trophy needs, like "Special Judges Awards," or plaques for Cover Design or Synopsis, etc.**

## **TROPHY CHAIRPERSON, CONTINUED**

**See attached** *sample order form. Make changes and mail or FAX to:*

*Trophy Masters*

*8331 Lincoln Blvd.*

*Los Angeles, 90045*

### **Reminders:**

- Double check the list of events to make sure you did not leave one out.
- Make sure you add SWEEPSTAKES trophies and HONORABLE MENTION plaques.
- Do not put the date on the HONORABLE MENTION plaques so we can shift them from one event to another, one year to another.
- Do not forget to order a large plaque honoring the host for EACH festival.

Pickup is difficult because Trophymasters is in Westchester and it closes at 5:00. IT IS NOT OPEN ON SATURDAY AND SUNDAY. We checked the prices several years ago, and Trophymasters is way below other places, so use them.
