

# Your Ticket to Professional Excellence

(The only professional theatre organization in California)

## Our Mission Is:

to **promote** and **advocate** for comprehensive theatre education throughout the State of California;

to **actively encourage** and **develop high standards** in Teaching, learning, curriculum, research, scholarship, production and accreditation criteria from pre-kindergarten through university level theatre education

to **foster educational excellence** through an atmosphere of diversity and **encourage cooperation** with other established arts organizations;

and to fulfill our mission with **integrity, quality,** and **fun.**

## When you join, you will be able to:

- Access lesson plans
- Network with theatre educators statewide
- Advocate for theatre education in California
- Explore resources for students
- Implement sequential California State Content Standards
- Participate in professional development activities
